ABOUT US

MAIN PLANT ASSEMBLY LINES

D Samson Industries (Pvt) Ltd is a Limited Liability Company and established in 1962. We are the market leader in manufacturing, retailing footwear in Sri Lanka and also one of the leading exporters of footwear in the country. D Samson Industries (Pvt) Ltd is the first Shoe Manufacturing Plant in Sri Lanka to obtain the ISO 9001:2008 certification.

D Samson Industries (Pvt) Ltd manufactures footwear for the whole family with products ranging from gent's, ladies, children's footwear to rubber & EVA slippers and also we are specialized in producing sustainable footwear having obtained FSC & organic certifications for rubber flip flops, canvas vulcanized sneakers & rubber wellington boots.

Our company enjoys an excellent reputation amongst our clientele as a result of the high quality standards that we have been able to maintain since its inception. The company produces more than 30 million pairs of footwear per year and has the workforce of more than 2,500 employees.

DSI footwear is manufactured in 4 large well designed production facilities with state-of-the-art technology ranging from EVA, PVC injection and Rubber vulcanizing combined with advanced machinery and tools such as PVC Injection Moulding, Hot & cold EVA machines, PVC V-Strap machines, PVC Sole Injection Machines, PU pouring machines & Hydraulic presses.
